

# GREGORY'S LININGS

INDUSTRIAL LINING SOLUTIONS

TIPPER LININGS

The choice is your's

**QuickSilver's** HIGH PERFORMANCE SEAMLESS LINER ALLOWS EXCELLENT RELEASE OF SOME OF THE TOUGHEST MATERIALS IN THE VERY WORST CONDITIONS.

**QuickSilver®** gives you safety plus much more...

- Lighter and harder-wearing than Aluminium
- Reduces or even eliminates carry back
- Dramatically increases safety & productivity
- Prolongs the working life of your trailers
- Allows more pay loads per day
- Lower tipping angles
- Quickly pays back the initial cost
- Installed in 1 day
- If you can drive, you can tip... **Safely**

- Lower tipping angles with **QuickSilver®** means safer trucks / trailers

## QuickSilver®

# Tipping The Balance On Safety

*Installed to any truck or trailer*

In today's market of on site safety, can you really afford not to have the safest vehicle on site?
